

YOUR LOCAL BUILDER JUST KEEPS GROWING.

WA Country Builders are pretty special, and not simply because we are the state's largest new home country builder with dedicated offices in Geraldton, Jurien, Northam, Bunbury, Busselton, Bridgetown and Albany and we are planning on expanding and opening new offices in other regions. We are also part of the JWH Group, one of Australia's biggest new home building companies. JWH Group is family owned and operated, and like all families, we look after our own. We always take care of the people behind our on-going success - our employees. That means great pay. It means excellent working conditions. And because of our unique product mix - variety. You won't get bored. It means job security and it means providing the encouragement and opportunities to progress your career.

We're always looking for talented, like minded people to join our team. Right now we have openings all over the state for:

- SUPERVISORS • ESTIMATORS
- DRAFTSPEOPLE • SCHEDULERS
- CONTRACT ADMINISTRATORS

If you are an experienced operator currently employed in the building industry and the idea of a new 'seachange/treechange' lifestyle appeals to you, give me a call. If I'm not available, just leave a short message and I'll get back to you, pronto. Call me, Julian Walter on 0448 775 693.
